

## **Minutes of the February 13th, 2012 Kittredge Civic Association Meeting**

KCA President Kate Mondragon said our mailing permit has expired. She renewed it today and has over 600 flyers ready to mail. The cost for postage will be \$80.85 to mail them.

Secretary and Webmaster Jeff Zepp reported that he has updated the web site with the 2012 dates for our events, and added the date as a field to fill in to the online membership application. He noted that the last membership roster he has was from April of 2010, and would like to get updated info on who has paid dues in order to maintain the membership roster.

Kate made a motion, seconded by Deb Pero, to approve the November minutes. The motion was carried.

Deb and Kate discussed the problem with kids playing unsupervised on the property of the KCA building.

Kate said that she had confirmed with Willard, the hayride contractor, dates for the 2012 hayride as Saturday December 15th, from 5:00-7:00 PM.

Kate reported that last month, Tom Clark has offered to pay the difference between what we collect for the dumpster and our cost of the dumpster for our annual town cleanup in June.
