

KCA Meeting 3/9/15 Minutes

Evergreen Recreation Presentation:

Evergreen Recreation has \$90,000 budgeted for the park project. Just were notified of an additional \$50,000 grant.

With the additional money it would be rushed to complete by summer construction will be pushed back until after CanyonFest

This is a community build professionals will remove old equipment and install new equipment.

The community assisting with some demo, landscaping, etc will help to keep costs low.

Are there other sources of assistance with the park project in the community?

The playground will stay in the same area

Looking at adding a 16x20 picnic structure

Need to consider safety and ADA requirements during park construction. Need to have equipment for both 2-5 year olds and 5-12 year olds.

Do we want the equipment to look more natural?

Looking at a concrete curb to replace the wood perimeter

A community park committee has been formed. Will begin meeting in March.

The committee will report at the KCA meeting on 4/13/15

Will have information regarding the park project at both the Easter Egg Hunt and Kittredge Clean Up day in an effort to keep the community informed of the project and to allow for input from community members
